To prove the arrival of a baby princess. Not only do the Dutch love their queen with an affection that the property of the proper

what extent the Germans are doing business in Central America. The United States, although a neighbor, does not furnish the five Central America. Within the last seventy-five years the auctioneering profession in the United ists have always been in sympathy with liberal politics to a large degree. Just as the Established church has found its interests naturally identified.

MAKE MAIN A PERFECT STREET.

Can republics with anything like the amount of manufactured articles and foodstuffs that it should. The idea in the improved standing of the profession among the peoples with anything like the amount of manufactured articles and foodstuffs that it should. The idea in this country in times past has been to supply the home market at high prices, and auctioneers, which culminated in can republics with anything like the States has advanced enormously in the together. At that time the New York auctioneers dealt largely in imported goods, and they were charged with demoralizing the market and with other more or less heinous offenses. They replied to these charges in a memorial to congress, to such good purpose that they were not taxed to death. Since then the usefulness and activity of auctioneers has increased until today the

> were constantly occupied closing out in-solvent firms, etc. On that account, and because the auctioneer is frequently called in to settle an estate after the death of an owner, some people have an idea that he auction er is a sort of vulture. On the hings in the fairest possible way and af ords people a chance to buy at their own ordes. If they pay more than an articles worth, that is not the auctioneer's fault. The boast of the profession, as an Iowa uctioneer said in an advertisement ne ong ago, is that it 'makes sales of anything anywhere this side of the celectial realm." A glance at a few recent auctions shows this to be true. A cemetery was sold not long ago to a Pennsylvania man, who wished to utilize it as a privat that which disposed of the battlefield dains' mill, near Cold Harbor, when Stonewall Jackson met the Union army
